Woodstains

Cedral Lap is available in 2 woodstain shades designed to mimic the appearance of stained natural wood finish and as such, a variation in colour and shade is part of the effect inherent in the material design. The translucent finish will be accentuated by the effects of ambient light and viewing angle.

Due to transparent coating, it is not recommended to install Cedral Lap woodstain colours vertically.

* Not available in Cedral Click, Cedral Click Smooth or Cedral Lap Smooth.

** Cedral Click in the colours identified may be subject to minimum order quantities and extended lead times.
