

Proposed Side Elevation

Proposed Front Elevation

Proposed Side Elevation

Proposed Rear Elevation

The proposed loft conversion is general permitted development

- The building is a single detached dwelling house, not on designated land.
- There will be no alterations forward of the principal elevation
- The dormer will be tile hung to match materials on the existing property
- The volume increase is 49.395m³, within the 50m³ acceptable under general permitted development
- The dormer does not exceed the existing ridge height
- There will be no verandas, balconies or raised platforms
- There are no windows on the side elevations
- The eaves will be retained with a minimum of 200mm
- The dormer will not overhang any part of the original building.
