

WEST SUSSEX COUNTY COUNCIL CONSULTATION

TO:	Horsham District Council FAO: Halima Chowdrey
FROM:	WSSC – Highways Authority
DATE:	8 May 2026
LOCATION:	High Beech Farm Hammerpond Road Horsham RH13 6PE
SUBJECT:	DC/26/0466 Demolition of existing stables and erection of a new 'Livestock' barn, and construction of a new gravel road.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

In making these comments, the site has not been visited by WSSC Highways.

The site benefits from an existing vehicular access onto Hammerpond Road. No changes are proposed to this existing access. For the purposes of the proposal, these seek effectively new facilities to replace the existing dilapidated stables. The proposed barn is not anticipated to result in any notable intensification of use of the access beyond that which could occur at present.

The proposed gravel road is noted.

No highway objection would be raised.
