| Comments:            | <p>There is no infrastructure to support more homes in my neighbourhood. Doctor's offices are full, schools are full. Where are these people going to work?</p> <p>There are significant developments already underway through out horsham and Southwater and Ifield.</p> |

I firmly object to more loss of green space and more people living in an increasingly overpopulated town. Horsham will be ruined if this continues
