Comments:	Having seen the outline for 180 homes, I am unhappy with this proposal. Southern Water have sent emails confirming they already do not have enough water for West sussex. People struggle to see a dentist a doctor and find local school places for their children mainly secondary age already without a further 180 MORE families arriving. There are plenty of other areas outside of west sussex that could

accommodate new housing and there must be other places
suitable within West sussex rather than a lovely ancient area.

Kind regards
