Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I object to these plannings due to the effect of nature, trees and landscaping, privacy light and noise and overdevelopment. We need to protect our environment, not over pollute it with these new developments. Where you're wanting to build, backs onto ancient woodlands. If this keeps happening, there will be no greenery for our children to play on, no trees to keep our oxygen

levels up and no animals that rely on these places to live and survive.

Kind regards
