Subject: 12 church st Warnham (tree removal)

[redacted] [redacted]

Hi there. My client Phil has been in contact with you regarding the removal of the dead tree out the front of his property in Warnham.

The tree has a rot pocket from a snapped out branch in previous years. From what we could see the rot has travelled up the main stem.

The reasons why I think it needs to be removed is because it's next to the clients house, a busy footpath and also a road. Its always a shame to have to fell any tree but this would benefit many.

Many thanks Jordan
