Slinfold Stud Stane Street Slinfold West Sussex
Construction of new equestrian facilities comprising a stable building, outdoor riding arena, horse walker and car parking area. Use of existing agricultural barn for associated equine use. Use of land for the keeping and grazing of horses. Alterations to existing vehicle access from A29.

Your application DC/24/1620 has now been determined and I enclose the decision notice. The decision notice contains important information. Please take a moment to read it as further action may be required.

Conditions
Before you start work, information must be submitted for any conditions that require discharge before development can begin. The decision notice will set out what information need to be sent.

Biodiversity Net Gain Condition
Please note the requirement within the Environment Act 2021 for development to deliver a minimum of 10% net gain in biodiversity may be applicable to your development. In the event your development is required to achieve a minimum 10% net gain in biodiversity then a Biodiversity Net Gain Condition (separate to the main list of conditions) will appear on your decision notice requiring the submission of a Biodiversity Gain Plan for approval prior to development commencing.

Failure to discharge conditions before commencing development could result in the development being unlawful or enforcement action being taken. You can notify us of your intention to initiate development by completing a pre-commencement notification which will help us to monitor your development. There is no fee to use this service. To do this, or for further information about discharging planning conditions, visit us online at horsham.gov.uk/planning/discharging-a-planning-condition

Community Infrastructure Levy (CIL)
If this development is CIL liable, the requirements of CIL must be met before you start work. Failure to do so could result in additional financial penalties. For further information relating to CIL visit horsham.gov.uk/planning/planning-policy/community-infrastructure-levy/cil-charges-and-how-to-pay

If you have any questions about the decision notice, you can call us and speak to a member of the team on 01403 215187 between 9AM - 5PM, Monday to Friday.

If you are acting as the planning agent for this application, please ensure that the applicant is given a copy of the decision notice and this letter.

Yours Sincerely,
Development Management

Horsham District Council

Application Number: DC/24/1620

TOWN AND COUNTRY PLANNING ACT, 1990 (as amended)
TOWN AND COUNTRY PLANNING (Development Management Procedure) (England) Order 2015

On behalf of: Ms Debby Lax SFB Equestrian Ltd

In pursuance of their powers under the above-mentioned Act and Order, the Council hereby notify you that they PERMIT the following development, that is to say:

Construction of new equestrian facilities comprising a stable building, outdoor riding arena, horse walker and car parking area. Use of existing agricultural barn for associated equine use. Use of land for the keeping and grazing of horses. Alterations to existing vehicle access from A29.

Slinfold Stud Stane Street Slinfold West Sussex

to be carried out in accordance with Application No. DC/24/1620 submitted to the Council on 07/11/2024 and subject to compliance with the plans/documents and conditions specified hereunder.

Emma Parkes
Head of Development and Building Control

Date: 04/06/2026

1 **Plans Condition**: The development hereby permitted shall be carried out in accordance with the approved plans listed in the schedule below.

SCHEDULE OF PLANS/DOCUMENTS

Plan Type	Description	Drawing Number	Received Date
Supporting Docs	TREE AND LANDSCAPE PLAN	SCD 05867 / 2022	16.10.2024
Location & Block plan		FE01 REV D	16.10.2024
Elevation & Floor plan	Proposed Stable Floor Plans and Elevations	FE02 REV D	16.10.2024
Plans	Proposed Sand School	FE03 REV C	16.10.2024
Plans	Access Plan	10806/102 REV P7	16.10.2024
Plans	PROPOSED PASSING PLACES	10806/104 REV P1	09.12.2024

Reason: For the avoidance of doubt and in the interest of proper planning.

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Pre-Commencement Condition**: No development (including any demolition, earthworks, or site clearance) shall take place until the Local Planning Authority has been provided with either:

a) A licence issued by Natural England pursuant to Regulation 55 of The Conservation of Habitats and Species Regulations 2017 (as amended) authorizing the specified activity/development to go ahead; or

b) A statement in writing from the Natural England to the effect that it does not consider that the specified activity/development will require a licence.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

4 **Pre-Commencement Condition:** No development shall commence, including demolition pursuant to the permission granted, ground clearance, or bringing equipment, machinery or materials onto the site, until the following preliminaries have been completed in the sequence set out below:

(a) All trees on the site shown for retention on approved drawing number [TREE PROTECTION / LANDSCAPE PLAN REF: 05720/ 2022], as well as those off-site whose root protection areas ingress into the site, shall be fully protected throughout all construction works by tree protective fencing affixed to the ground in full accordance with section 6 of BS 5837 'Trees in Relation to Design, Demolition and Construction - Recommendations' (2012).

(b) Once installed, the fencing shall be maintained during the course of the development works and until all machinery and surplus materials have been removed from the site.

(c) Areas so fenced off shall be treated as zones of prohibited access, and shall not be used for the storage of materials, equipment or machinery in any circumstances. No mixing of cement, concrete, or use of other materials or substances shall take place within any tree protective zone, or close enough to such a zone that seepage or displacement of those materials and substances could cause them to enter a zone.

Any trees or hedges on the site which die or become damaged during the construction process shall be replaced with trees or hedging plants of a type, size and in positions agreed by the Local Planning Authority.

Reason: As this matter is fundamental to ensure the successful and satisfactory protection of important trees and hedgerows on the site in accordance with Policy 33 of the Horsham District Planning Framework (2015).

5 **Pre-Commencement (Slab Level) Condition**: A Biodiversity Enhancement Layout, providing the finalised details and locations of the enhancement measures contained within the Preliminary Ecological Appraisal (Arun Ecology, August 2024) shall be submitted to and approved in writing by the local planning authority. The enhancement measures shall be implemented in accordance with the approved details prior to occupation and all features shall be retained in that manner thereafter.

Reason: As these matters are fundamental to safeguard the ecology and biodiversity of the area in accordance with Policy 31 of the Horsham District Planning Framework (2015), and to enhance Protected and Priority Species/habitats and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species).

6 **Pre-Occupation / use Condition:** No part of the development hereby permitted shall be occupied until a fire hydrant(s) to BS 750 standards or stored water supply (in accordance with the West Sussex Fire and Rescue Guidance Notes) has been installed, connected to a water supply with appropriate pressure and volume for firefighting, and made ready for use in consultation with the WSCC Fire and Rescue Service. The hydrant(s) or stored water supply shall thereafter be retained as such.

Reason: In accordance with fire and safety regulations in accordance with Policy 33 of the Horsham District Planning Framework (2015).

7 **Pre-Occupation / use Condition:** No part of the development shall be first occupied until visibility splays of 2.4 metres by 180 metres have been provided at the proposed site vehicular access onto Stane Street in accordance with the approved planning drawings. Once provided the splays shall thereafter be maintained and kept free of all obstructions over a height of 0.6 metre above adjoining carriageway level or as otherwise agreed.

Reason: In the interests of road safety and in accordance with Policy 40 of the Horsham District Planning Framework (2015).

8 **Pre-Occupation / use Condition:** No part of the development shall be first occupied until such time as the vehicle parking and turning spaces, and the vehicular access serving the development has been constructed in accordance with the details shown on the drawing titled ACCESS PLAN and numbered 10806/102 Rev P7.

Reason: To ensure adequate parking, turning and access facilities are available to serve the development in accordance with Policy 40 of the Horsham District Planning Framework (2015).

9 **Regulatory Condition:** All mitigation and enhancement measures and/or works shall be carried out in accordance with the details contained in the Preliminary Ecological Appraisal (Arun Ecology, August 2024), as already submitted with the planning application and agreed in principle with the local planning authority prior to determination. This includes the Precautionary Method Statement for mobile species in Sections 6.4.1, 6.4.7 and 6.4.8 of the Preliminary Ecological Appraisal (Arun Ecology, August 2024), which avoids impacts on protected species.

This may include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.

Reason: To conserve and enhance protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (as amended) and Policy 31 of the Horsham Development Framework.

10 **Regulatory Condition:** In the event that any external lighting is required, then a lighting design scheme for biodiversity based on GN: 08/23 shall be submitted to and approved in writing by the local planning authority. The scheme shall identify those features on site that are

particularly sensitive for bats and that are likely to cause disturbance along important routes used for foraging; and show how and where external lighting will be installed (through the provision of appropriate lighting contour plans and technical specifications) so that it can be clearly demonstrated that areas to be lit will not disturb or prevent bats using their territory.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 as amended and s40 of the NERC Act 2006 (Priority habitats & species) and Policy 31 of the Horsham Development Framework.

11 **Regulatory Condition:** No PA systems or use of amplified music shall be used or installed other than with the permission of the Local Planning Authority by way of formal application.

Reason: To safeguard the amenities of neighbouring properties in accordance with Policy 33 of the Horsham District Planning Framework (2015).

12 **Regulatory Condition:** The stables hereby permitted shall not be used for commercial purposes or in connection with any form of riding or livery establishment.

Reason: In the interests of amenity, to enable the Local Planning Authority to regulate and control the development and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

13 **Regulatory Condition:** All works shall be executed in full accordance with the submitted Arboricultural Impact Assessment/Method Statement [ISCD 05867/2022, dated September 2022, received 16/10/2024].

Reason: To ensure the successful and satisfactory protection of important trees, shrubs and hedges on the site in accordance with Policies 30 and 33 of the Horsham District Planning Framework (2015).

14 **Regulatory Condition:** All works involving hard-standings and excavations shall be positioned to ensure they lie outside of the 15m buffer zone of the Ancient Woodland along the southern boundary of the site. Furthermore, all activities shall be restricted within this buffer zone to avoid undue harm occurring by way of the change of use of the land.

Reason: To ensure the successful and satisfactory protection of the ancient woodland in accordance with Policies 30 and 33 of the Horsham District Planning Framework (2015).

15 **Regulatory Condition:** No works for the implementation of the development hereby approved shall take place outside of 08:00 hours to 18:00 hours Mondays to Fridays and 08:00 hours to 13:00 hours on Saturdays nor at any time on Sundays, Bank or public Holidays

Reason: To safeguard the amenities of adjacent occupiers in accordance with Policy 33 of the Horsham District Planning Framework (2015).

16 **Regulatory Condition**: All works shall be executed in full accordance with the submitted Arboricultural Report [SCD 05720/ 2022, Sept 2022].

Reason: To ensure the successful and satisfactory protection of important trees, shrubs and hedges on the site in accordance with Policies 30 and 33 of the Horsham District Planning Framework (2015).

Note to Applicant
Biodiversity Net Gain Condition
Paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 states that planning permission is deemed to have been granted subject to the "biodiversity gain condition" which means development granted by this notice must not begin unless:

(a) a Biodiversity Gain Plan has been submitted to the planning authority, and
(b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission is Horsham District Council.

This permission will require the submission and approval of a Biodiversity Gain Plan before development is begun.

For guidance on the contents of the Biodiversity Gain Plan that must be submitted and agreed by the Council prior to the commencement of the consented development please see the link:
Submit a biodiversity gain plan - GOV.UK (www.gov.uk).

Statutory exemptions and transitional arrangements
There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These can be found at Paragraph: 003 Reference ID: 74-003-20240214 of the Planning Practice Guidance, which can be found at https://www.gov.uk/guidance/biodiversity-net-gain.

Irreplaceable habitat
If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

Note to Applicant
The applicant is required to obtain all appropriate consents from West Sussex County Council, as Highway Authority, to cover the off-site highway works. The applicant is requested to contact The Implementation Team Leader (01243 642105) to commence this process. The applicant is advised that it is an offence to undertake any works within the highway prior to the agreement being in place.

Note to Applicant
This consent does not grant planning permission for the the siting or stationing of a caravan or mobile home on the land for staff accommodation purposes., for which separate permission is required under the Town & Country Planning Act 1990.

Note to Applicant
Please be advised that there are conditions on this notice that will require the submission of details to be submitted for approval to the Local Planning Authority. To approve these details, you will need to submit an "Application for approval of details reserved by condition" with an application form and pay the appropriate fee. Guidance and the forms can be found at planningportal.co.uk/planning/planning-applications

Note to Applicant – Community Infrastructure Levy (CIL):

Horsham District Council has adopted a Community Infrastructure Levy (CIL) Charging Schedule which took effect on 1st October 2017. **This development constitutes CIL liable development**.

If you have not received a Liability Notice from the Council within 1 month of the decision date please contact the CIL Team at cil@horsham.gov.uk.

CIL is a mandatory financial charge on development. To avoid additional financial penalties, the requirements of CIL must be managed before development is commenced (including in the event of any successful appeal).

Payment must be made in accordance with the requirements of the CIL Demand Notice issued.

Note to Applicant
Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

ADDITIONAL INFORMATION

Planning Permission – Important Provisos
If planning permission has been granted, please note that your Notice of Decision refers only to consideration of your proposal under the Town and Country Planning Acts. It is not a building regulations approval and does not mean that you can disregard other Acts of Regulations or avoid any other legal obligations. Some of these obligations, of particular relevance to your proposal are referred to elsewhere in this note. Before you proceed with your proposal you should ensure that a Building Control application is not required or has been submitted. The Building Control Department can be contacted on 01403 215151.

If this permission relates to new dwellings, commercial premises or other buildings which will require a new postal address you should contact the Council's Street Naming & Numbering Department as soon as possible or before work commences on site. Further details are available on the Street Naming page on the Council's website or alternatively e-mail streetnaming@horsham.gov.uk or telephone 01403 215139.

It is the responsibility of the developer to provide bins for the development. If you are a developer and need to purchase bins, please email hop.oast.admin@horsham.gov.uk.

It must be stressed that the information included on this Notice of Decision may not include all your legal obligations, and it does not grant you rights to carry out works on or over lands, or to access land that is not within your control or ownership.

Amendments
Should alterations or amendments be required to the approved plans, it will be necessary to apply either under Section 96A of the Town and Country Planning Act 1990 for non-material alterations, or under Section 73 of the Act for minor material alterations. An application must be made using the standard application form and you should consult with us, to establish the correct type of application to be made.

Monitoring
Horsham District Council monitors the implementation of planning permissions. Please be aware that monitoring officers may visit the application site at various stages of the development to ensure compliance with the approved plans and conditions.

Right of Appeals
If you are aggrieved by the decision to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

You must appeal within 12 weeks of the date of the decision notice for a householder application or 'minor commercial' (shop front) development, and within 6 months for other types of planning applications. There are different timescale – usually 28 days – if an enforcement notice is/has been served for the same (or very similar) land and development. Please note, only the applicant possesses the right of appeal.

Appeals can be made online at: https://www.gov.uk/planning-inspectorate. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are at https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries.
