Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design
Comments:	Generally, we are relatively happy with the proposal, however we have a couple of comments that will need to be addressed during the build, these are: 1. The new wall/foundation adjacent to the No6 Dickins Way wall, care will need to be taken so that the existing foundation of this wall will not be undermined or altered in anyway; 2. The removal of the Sun room, which is currently against the No6 Dickins Way wall, when this is removed, care will need to be taken so that the waterproofing associated with the existing

roof/wall will not be undermined or altered in anyway;
We are happy to discuss these issues at any time.

Kind regards
