Comments Details

Commenter Type:	Parish Council
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Trees and Landscaping
Comments:	The applicant's request for a 12-year rolling permission is very unusual, and the Parish Council is unsure if this is even possible. If the Tree Officer is minded to agree to this, the Parish Council would like to hear from him explaining how this sort of permission is granted and monitored.

Kind regards
