Subject: RE: Planning Application Consultation - DC/24/0306

Categories: Consultations

Dear Planning Team,
On reflection of Planning application DC/24/0306, our planning committee have no specific objections, unless there are material objections from neighbouring properties.
However, the committee did raise concerns relating to the reduction in parking space. It was also noted that the proximity to the neighbouring property leaves very limited space for the construction phase detail should be sought on how this will be managed, material/equipment/waste storage etc.
Kind regards,
Lucinda
