Morning Nic, thanks for this.

I have no further comments. I'd be satisfied for the respective construction management plan condition to be discharged based upon the latest revision.

Kind regards

Ian Gledhill

Dear Ian

I've raised a formal re-consultation request through the system, but wanted to flag it with you directly, perhaps save some time trawling through the documents.

Section 3.8 refers to the temp use of the existing access point (for construction purposes) off London Road.

Kind regards
Nic
