Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Other
Comments:	Objection raised by resolution of Billingshurst Parish Council's Planning & Environment Committee 3.12.24; In noting the Conservation Response and revisions sought to the elevations, concerns remain regarding the proposed changes which are felt overbearing, the prominence and visual aspects out of character with the existing design which is currently sympathetic to its village location. Aspects of the design of the dormers are considered poor,

specifically the proportions and any approval may then set a precedent for future applications seeking similar changes.

Kind regards
