Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	No safe way in to site, only passing church on a almost single track road,making church Lane a very busy road and dangerous for children walking to school. Football pitches positioned at far end of sight with very limited

parking, very small club house.
Loss of use of land for Forest school for local school that now
seems to be completely forgotten about in the planning that was
promised before!!!

Kind regards
