Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other
Comments:	The village cannot cope at the moment with the level of traffic through London Road with traffic issues at busy times. Particular issues are around the lack of parking at the Co-op causing roadside parking and frequent vehicles frequently blocking access

to Turnpike Way with double parking as the shops cannot cope with the volume of vehicles at busy times as there is not enough parking the additional houses will only exacerbate congestion, cause more dangerous parking in junctions and driving through the village. Perhaps more thought needs to be put into a shopping area rather than more football pitches which the village already has?

Kind regards
