Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	The roads are not suitable to have around another 300 cars travelling on them regularly through out the day, it will make the so called heart of the village unsafe for the children mine included. The thing I live at the moment is they can go out with friends to

the park and the Rec without having to worry about lots of cars.
But that would change. With the increase in traffic.

Kind regards
