Reasons for comment:	
Comments:	More homes in Ashington is not needed .our school , shop and roads are not up to the growth of the village now. How are the residents going to send their children to our village school and get the teaching they need ? we will have an over crowded school or you won't get your children in to Ashington . The shop barely caters for the village now, so it will never be big enough .church

Lane is busy enough now and is a hazard when children are going to and from school plus the road is not man enough to take another two hundred plus cars . I truly think Ashington should be left to what's left of the village .

Kind regards
