Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping

Comments:

The plan does not take into account the already overrun local transport routes, sewage & water ways and completely ignores the resources being stolen from Ashington CE school. As it currently stands the village and in particular access via Church Lane & Rectory lane/the Sands, is completely untenable. It is overrun with parked cars on a daily basis and simply cannot cope with any further demand on traffic. The access the school currently have to local amenities through these fields are vital to maintaining a rural education and have fed countless individuals into agricultural & environmental related fields, as literally the life and growth of our very society. It is an outrage to lose such important green space to corporate greed and needless expansion of a quiet village already struggling.

Kind regards
