Attention of Marie Riggs.

Dear Marie Riggs,

Your Ref:DC/26/0062

Further to your letter of the 17th March'26, as a immediate neighbour of the subject property (2), we live in number 4 The Boulevard we are concerned that the proposal would be totally out of keeping to the rest of The Boulevard. Also we are really unhappy to have a building that towers over us taking away our privacy to our landing and most importantly our back garden.

Please take our comments on board as we think we are so fortunate to live in such a lovely Horsham location.

Regards,
