Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I object to this application. The trees they are removing will never look the same again after they damage what is currently there. The wildlife will also suffer. This will be an eyesore and on land that is not theirs. It will encroach on neighbours privacy. Illegal signs have already been put up without planning permission. Developers should not be allowed to get away with this.

Kind regards
