Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	The area is already having trouble with amenities, GP, etc. Parking is an issue and the number of proposed parking spaces for the size of the development given that each individual typically needs their own private transport, is insufficient and will create more congestion.

The loss of this landscape and the impact on wildlife is unacceptable and the loss of a much needed countryside walking area, which is particularly needed for residents to de-stress, etc. will be felt by many... including, ironically, any people who would then also live on the built up site.

Kind regards
