Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	Water in West Sussex is an issue. Southern Water is always struggling to supply & dispose of waste water. There is too much new housing in North Horsham, with Mowbray near site. Also traffic is an issue. It is hard enough now to get from Lambs Farm Road onto Crawley Road, so extra traffic from site will make it a great deal worse for existing residents. This is supposed to be

designated AON B, & we need our green spaces. Environment will be severely impacted.

Kind regards
