Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	The area to the North of Horsham has already had a major development causing green space to be diminished. Horsham has suffered a decline in wild creatures in the area and this will exacerbate the situation. Added to that, the number of vehicles in the area has increased significantly due to the existing development to the North. Obviously, further development will cause more traffic and

pollution.

Kind regards
