Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Trees and Landscaping
Comments:	As with the previous application to develop this land, this current application should also fail because it is an AONB (part of the High Weald National Landscape). All of the development restrictions still apply. The traffic congestion is a particular issue for residents of Earles Meadow.

Kind regards
