Dear Alice,

I'm writing to you regarding the planning application DC/26/0640 Cedar Cottage.

On the Planning Comments site I have recently seen submitted documents referring to the proposed cutting back of hedges on private land to facilitate Highways visibility splays on Sandygate Lane on properties either side of the proposed development; ie Sandygate on one side & my property Gardeners Cottage on the the other side. See Representation Letter: Sandygate, Sandygate Lane of 11/06/26 and Supporting Statement: Proposed Site Access Arrangements and Associated Highways Works (see Appendix A) of 18/06/26.

I would like it to be recorded that I do not give permission for any of my hedges on my property to be cut back.

Also please note that I would like these comments to be recorded as an objection to the application.

Regards,
