☒ No

Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Request for the Removal of Condition 5 to Reflect a Change in Material Specification. We propose to construct the pitch using a sand infill system in place of rubber crumb. As sand infill represents a more sustainable and environmentally benign alternative, the original rationale for the condition is no longer applicable, and we therefore request its formal removal.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
