Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	This land has already had planning applications rejected. Nothing has changed and all the objections are still as valid now as they were then. Horsham has already had to accommodate many hundreds of new houses with no new facilities, amenities or

infrastructure. Our local Doctors Surgery, Dentists and East Surrey Hospitals are already struggling to cope with the extra demand from these developments. Our beautiful countryside is being eroded, affecting wild life, and natural beauty. Roads flood every time it rains heavily. Our roads are already busy, with traffic building up at peak times. The junction from Old Crawley Road onto the Crawley road could not accommodate a heavy volume of traffic, especially during peak times, when turning left would cause havoc. Lights were would also cause traffic to build up. There are already two sets of lights a few hundred yards down the road. The nearby Mowbray site is huge, and has decimated the countryside and added to congestion in the area. More housing developments will only be a burden to the people who already live here and our quality of life matters. It has to stop. Enough is enough.

Kind regards
