Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Other - Overdevelopment
Comments:	I object strongly to building on this area. The area is designated as an Area Of Outstanding Natural Beautiful. There is significant new development building already going on nearby already. We do kof any more. North Horsham area needs to keep our green spaces. The local infrastructure is already stretched to breaking point. It is a lovely area full of wildlife , trees and fields, and is a place for

people to unwind, de-stress and be at one with nature. Please,
please do not build on this land.

Kind regards
