Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment - Trees and Landscaping
Comments:	Horsham already has a huge amount of housing being built. There have already been issues with water supply in North Horsham which is likely to get worse with more housing. There isn't the infrastructure to accommodate yet more houses - not enough schools, doctors, etc. The loss of more green spaces will have a detrimental effect on wildlife and the public that use this wonderful part of nature to help to help their mental and physical health.

Kind regards
