Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This area is used by many wildlife. So much land has already been taken that we need to keep these areas. Also the traffic flow is really bad at peak times of the day. More traffic is definitely not good for our environment and safety. Also our infrastructure is at bursting point, as I'm sure you are aware.

Kind regards
