Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	The field and its beautiful surroundings should keep its natural feel with deer and wildlife often sighted. Chesworth farm is a heavily used green space and should be protected for local residents and wildlife. It is one of the key attributes that makes Horsham a special place to live. Introducing more housing and traffic into this space will spoil the area. The disruption and noise pollution during construction will be very difficult to live with,

Kind regards
