Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Other
Comments:	3 visitor parking spaces for 21 dwellings is insufficient and would cause further congestion in Athelstan Way and lead to access problems for emergency vehicles visiting Glen Arun Nursing Home. I believe the proposed development would appear as an uncontained spread into open countryside and would not sit easily

into the landscape without making a serious impact and having a detrimental effect on the skyline.

The construction process would have an adverse impact on the wildlife corridors and protected species.

Kind regards
