Reasons for comment:	- Other
Comments:	This will take away safe playing area for the children, it will be built near to existing homes, so additional noise. But my main concern is with additional staff and children the parking which is already an issue on Cedar Drive will be exacerbated. There can be up to 14 cars parked on one side of the road and as this is a main bus route with a stop along where the cars park it has caused a lot of problems since the nursery school arrived. They were supposed to use their car park for staff but prefer this to be used for dropping off of children. It is off a narrow lane which is residential and the

additional traffic is just difficult. I would appose the Nursery getting any larger than it is as it will not be fair on residents.

Kind regards
