Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	This proposed development does not sit within the Neighbourhood Plan and is a over development. The access to the development has not been addressed and at this stage it is dangerous due to number of extra cars in the

vicinity of the school and children, who quite rightly, walk to school.
The development seems to be paying scant attention to the guidance of Sports England and the facilities proposed are not satisfactory

Kind regards
