Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	This is another example of further housing that earns the council income without any provision for infrastructure. Every time we see applications in the area, it's for 100s of houses but never with the required infrastructure to accommodate. My personal experience of the area is that we need to balance the expansion and this is purely a profit exercise.

Kind regards
