Comments:	Will you me making sure that the bus stop on the side of the development will have a cut through to it? Currently you have to cross the Brighton Road from the very small bus stop which could get very crowded if this development goes through. Also you really need a way to get onto Hammerpond Road as a pedestrian as I really wouldn't want my children to cross the

Brighton Road twice (as there are no traffic lights) when trying to get to school as it is a very fast and dangerous road.

Kind regards
