Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Stop building on our green spaces! We need these green spaces for our wildlife. The roads already cannot cope with the flooding and traffic, the infrastructure isn't there for more homes and it is diabolical that spaces like the Novartis site stand empty for over a decade yet we still continue to build on the green spaces.

Kind regards
