| Reasons for comment: | <ul style="list-style-type: none"><li>- Loss of General Amenity</li><li>- Overdevelopment</li></ul>                                                                                                                                                                                                                                                                                     |
| Comments:            | There is already a strain in local resources. I have had to wait two weeks to see a doctor and despite living less than half mile from forest school, I may now have to travel further, impacting my son's friend group, education and motivation. This is going to negatively impact the local environment, make roads less safe and further strain an already unstable infrastructure |

Kind regards
