Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Overdevelopment
Comments:	The village can in no way support 180 new dwellings and the 360 extra vehicles that will be based in the village. The school is at capacity, village store cannot be extended, no doctor surgery. The design of the apartments is not in keeping with a village and looks like something from a run down council estate in a city. Why not suggest a smaller development of 40 dwellings?

Kind regards
