Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	This land is used by members of the public as a place to go, away from the busyness of the town; it is a place to enjoy for exercise, relaxation, dog walking and families. It is also home to wildlife, with much of our green space now being built on, on the periphery of the town, there are less and less space for them to thrive.

Kind regards
