Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	Barns Green Wastewater Treatment Works is already at capacity and with the addition of 68 new houses in Barns Green the sewage infrastructure would be unable to cope. This would be a disaster waiting to happen. I urge Horsham District Council to seriously look into this matter

and investigate it thoroughly before making a decision which will have disastrous consequences for Barns Green.

Kind regards
