Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	- Other
Comments:	I write in support of the proposed development of Town Barn. There will be minimal impact on local amenities and there will only be one dwelling so traffic will not be affected. If left undeveloped, the existing barn will continue to deteriorate and eventually will collapse. This proposed development will ensure that the barn is maintained whilst being sympathetic to its history and the local area. I think this development will be beneficial for the local community.

Kind regards
