Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	1. Traffic congestion on the B2195 approaching the Morehead round from Horsham increases from 30 to 40 resulting in vehicles leaving Earles Meadow have the increased risk of car accidents. The central reserve to turn right into Earles Meadow is frequently in serious danger of an head on collision at 40 miles an hour due to lack of visibility. Another road off the B2195 will only add to

increase traffic congestion.

2. There is a serious lack of infrastructure in the area - GP surgeries, emergency services , schools , dentists

3. Pollution from increased traffic congestion, noise and lights

4 Increased WATER demand

5 . Overdevelopment of north Horsham over 2,000 new homes at the Mobray development

6. Loss of landscape affecting wildlife and individuals ability to walk in the country side and enjoy the natural endorphins to help with physical and mental health

Kind regards
