Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	An application to build here was turned down in 2021 & the same reasons exist There is a lot of housing being built in North Horsham nearby & this will only add to the traffic congestion at moorhead roundabout. There will be congestion to get out onto the harwood road

It's more housing being built on the green belt
There is already a lack of infrastructure in the town with a shortage of doctor surgeries, NHS dentists & hospitals are over stretched .
All houses will be using the limited water available & we are already in a water scarcity area
More wildlife will be impacted , since the Mowbry estate has started to be built those of us nearby have had an influx of pigeons & foxes whose habitat has vanished . These are just the ones we can see

Kind regards
