Customer Details

Address: 26 Downsview Road Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment
Comments:	I am objecting to this application on the following grounds: The vehicular access and exit for this development would severely add to the traffic congestion on the Crawley Road particularly at peak times when it takes an excessive amount of time to reach the Moorhead rondabout as it is. It falls within the High Weald National Landscape and needs to be preserved in order to maintain the eco sytem and is an area

regularly used by walkers/ dog walkers alike.
Pollution levels are bad enough as it is particularly with the dual
carriageway very near by. This development will add to the high
levels of pollution!
North Horsham is very much over developed
and this development will add to that problem.
NORTH HORSHAM CANNOT SUSTAIN this amount of
development. There are no new Drs surgeries included in this
development immense pressure is being put on our public
services in this area as it is! and I believe this development would
also effect water supplies in the area. As stated at the top of my
objection I reiterate I AM OPPOSED TO THIS DEVELOPMENT. a
similar planning application in the past was objected to by the
Planning Inspector and rightly so!

Kind regards
