Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Privacy Light and Noise - Trees and Landscaping
Comments:	This developement will cause more conjestion at the MoorHead Round which is already an incredibly busy juntion which in turn will increase the conjestion through Roffey which is already icedably busy. This development will serveley damage our wildlife and landscape.

This development will serveley impact on pollution with noise from cars, light and noise pollution.
This development will stretch even more our over stretched infrastructure ie schools doctors and emergency services.
This development is a tragedy and should NOT be allowed.
