Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	The level of overdevelopment in the Horsham area has been unacceptable for some time. Adding further homes so close to the huge Bohunt development is irresponsible. Horsham council has made no effort to establish an additional level crossing in Horsham (despite owning land on the old Novartis site). Horshams crumbling roads can't take more houses. Neither can the doctors or dentists. Bed in the huge numbers of houses that you have or are already building over the next 10 years whilst working tirelessly to reduce immigration. Then consider again the

need for additional houses.
This development in particular destroys valuable countryside on the doorstep of Horsham. Move jobs and houses to the North of England where there is space and need for economic stimulus.

Kind regards
