14-day re-consultation letters to be sent on any amended plans	N/A
Prepare draft report	Y
WEEK SIX (+35)	**5th May 2025**
Check 35-day Cllr call-in for Committee	Y
If decision based on original plans, report to be drafted and submitted for sign off	Y
WEEK SEVEN (+42)	**12th May 2025**
If decision based on amended plans, report to be drafted and submitted for sign off	N/A
Reason for EOT	N/A

APPLICATION NO./ADDRESS:

DC/25/0526
9 Reapers Close, Horsham, West Sussex, RH12 5TG

DESCRIPTION:

Erection of a single storey rear extension.

RELEVANT PLANNING HISTORY:

DC/24/1691 Erection of a first floor extension above existing garage. Application Permitted on 20.12.2024

RELEVANT PLANNING POLICIES

The National Planning Policy Framework (NPPF)

Horsham District Planning Framework (2015):
Policy 25 - Strategic Policy: The Natural Environment and Landscape Character
Policy 26 - Strategic Policy: Countryside Protection
Policy 28 - Replacement Dwellings and House Extensions in the Countryside
Policy 31 - Green Infrastructure and Biodiversity
Policy 32 - Strategic Policy: The Quality of New Development
Policy 33 - Development Principles
Policy 34 - Cultural and Heritage Assets
Policy 40 - Sustainable Transport
Policy 41 - Parking

North Horsham Neighbourhood Plan
North Horsham Parish Council voluntarily withdrew their parish from the Neighbourhood Development Plan process on 30 July 2018.

Horsham District Local Plan (2023-40) (Regulation 19):
Policy 9: Water Neutrality
Policy 17: Green Infrastructure and Biodiversity
Policy 19: Development Quality
Policy 20: Development Principles
Policy 21: Heritage Assets and Managing Change within the Historic Environment
Policy 24: Sustainable Transport
Policy 25: Parking
Policy 45: Replacement Dwellings and House Extensions in the Countryside
Policy 46: Ancillary Accommodation

REPRESENTATIONS AND CONSULTATIONS RESPONSES

Where consultation responses have been summarised, it should be noted that Officers have had consideration of the full comments received, which are available to view on the public file at www.horsham.gov.uk.

Consultations:

Horsham District Council - Conservation:

Horsham District Council's Conservation Officer commented with no objection:

9 Reapers Close adjoins the locally listed property of Flagstones. Flagstones is an attractive property identified on the 1863 OS map, however the origins of the property may be older.

The proposal seeks to provide a single storey rear extension to 9 Reapers Close. The extension would be viewed against the context of the existing property and it would not be considered that this would result in further loss to the setting of Flagstones

Natural England: Standing Advice:-

It cannot be concluded that existing abstraction within the Sussex North Water Supply Zone is not having an adverse effect on the integrity of the Arun Valley SAC/SPA/Ramsar sites. Developments within Sussex North must therefore must not add to this impact and one way of achieving this is to demonstrate water neutrality. The definition of water neutrality is the use of water in the supply area before the development is the same or lower after the development is in place.

To achieve this Natural England is working in partnership with all the relevant authorities to secure water neutrality collectively through a water neutrality strategy. Whilst the strategy is evolving, Natural England advises that decisions on planning applications should await its completion. However, if there

are applications which a planning authority deems critical to proceed in the absence of the strategy, then Natural England advises that any application needs to demonstrate water neutrality.

Parish Comments:

No Objection

Representations:

None received

HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT:

This application is for the erection of a single storey rear extension at 9 Reapers Close, Horsham, West Sussex. 9 Reapers Close is a detached property on Reapers Close. Reapers Close is a residential cul-de-sac with most properties sharing a similar design, though there is some variation.

The application has been assessed on the basis of the submitted details, together with the planning history of the site and adjoining properties, available images and photographs supplied by the agent. These details were considered sufficient to allow the application to be properly considered and determined.

Character and Appearance

Policies 32 and 33 of the HDPF seek to ensure that development promotes a high standard and quality of design in order to enhance and protect locally distinctive characters. The policies also seek to ensure that the scale, massing and appearance of development relates sympathetically with the built surroundings, landscape, open spaces and routes within and adjoining the site, including any impact on the skyline and important views.

The proposal sees the introduction of a ground floor, flat roof extension approximately 3m in depth and 9m in width (the width of the dwelling house inc. garage). The proposal is contained to the rear where there would be no impact on the wider street scene and is considered appropriate.

The proposal would be a clearly subservient addition and is considered to be of a design, form and scale which is appropriate to the character and appearance of the existing dwelling, and which would not harm the character or appearance of the wider area. It is therefore considered that the visual impact of the proposal is acceptable and would accord with the above policies.

Impact on Neighbouring Amenity

Policy 33 of the HDPF states that permission will be granted for development that does not cause unacceptable harm to the amenity of the occupiers/users of nearby properties and land.

It is considered that the siting and layout of the proposed extension and the resulting relationship with adjoining properties would be sufficient to prevent any unacceptable harm to neighbouring amenity.

Impact on Heritage:

Policy 34 of the HDPF seeks to conserve, sustain and protect the cultural and heritage assets that are within the district. It ensures that development within conservation areas is consistent with the special character of buildings and areas of which they are located within. Areas and buildings that fall under conservation, Listed Building designations or are approximate to them will be protected from inappropriate development which will harm the character and setting of the area / building.

The Locally Listed Building of Flagstones is located north of 9 Reapers Close and described by the Horsham Town Local List as "One and half storeys, brick with decorative tile hanging and tile roof. Three dormers to front, timber casement windows, central brick porch. Modern single storey extensions to north and south. Set in mature gardens. Flagstones is on the 1863 OS map, however the origins of the property may be older"

In line with the Conservation Officer, there is not envisaged to be any impact on the Locally Listed Building owing to the extension. It is considered the proposal abides by the policy.

Water Neutrality

There is no clear or compelling evidence to suggest the nature and scale of the proposed development would result in a more intensive occupation of the dwelling necessitating an increased consumption of water that would result in a significant impact on the Arun Valley SAC, SPA and Ramsar sites, either alone or in combination with other plans and projects. The grant of planning permission would not therefore adversely affect the integrity of these sites or otherwise conflict with policy 31 of the HDPF, NPPF paragraph 180 and the Council's obligations under the Conservation of Habitats and Species Regulations 2017.

Biodiversity Net Gain

In accordance with the Biodiversity Gain Requirements (Exemptions) Regulations 2024, all householder applications are current exempt from the statutory requirement to demonstrate a 10% net gain in biodiversity.

Conclusion

The proposal is considered to comply with relevant local and national planning policies and is therefore recommended for approval.

Recommendation: Application Permitted

Conditions:

2 **Standard Time Condition**: The development hereby permitted shall begin before the expiration of three years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

3 **Regulatory Condition**: The materials and finishes of all new external walls, windows and roofs of the development hereby permitted shall match in type, colour and texture those of the existing building.

Reason: In the interests of visual amenity and in accordance with Policy 33 of the Horsham District Planning Framework (2015).

POSITIVE AND PROACTIVE STATEMENT

Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received, in order to be able to, where possible, grant permission.

Plans list for: DC/25/0526
(The approved plans will form Condition 1 on the Decision Notice of all Permitted applications)
