HUMAN RIGHTS AND EQUALITY:

The application has been considered having regard to Article 1 of the First Protocol of the Human Rights Act 1998, which sets out a person's rights to the peaceful enjoyment of property and Article 8 of

the same Act, which sets out their rights in respect to private and family life and for the home. Officers consider that the proposal would not be contrary to the provisions of the above Articles.

The application has also been considered in accordance with Horsham District Council's public sector equality duty, which seeks to prevent unlawful discrimination, to promote equality of opportunity and to foster good relations between people in a diverse community, in accordance with Section 149 of the Equality Act 2010. In this case, the proposal is not anticipated to have any potential impact from an equality perspective.

PLANNING ASSESSMENT

The main consideration of this application is whether the proposed alterations can be considered as non-material amendments to the approved scheme in accordance with Section 96A of the Town and Country Planning Act 1990 (as inserted by S190 of the Planning Act 2008). The discretion rests with the Council to decide to whether the revisions would constitute a non-material amendment to a planning permission, which would not take it outside the scope of the original permission.

The proposal sees the parapet wall of the approved works (DC/23/2079) removed. This reduces the overall height of the proposal to 2.6m. These amendments are considered to retain the overall character and appearance and would not materially impact the approved scheme.

The proposed amendments to 6 Amberley Close would not appreciably impact on the appearance of the building or amenities of adjacent occupiers, and would give rise to no other material impacts. The amendments are therefore considered non-material under Section 96A of the Town and Country Planning Act 1990.

Recommendation: Application Permitted
