

23 January 2026

Kate Turner
Development Section
Horsham District Council
Albery House
Springfield Road
Horsham
West Sussex RH12 2GB

Dear Kate

Re: Planning Application No: DC/25/2135 – Variation of condition 1 attached to DC/23/0856 in relation to the construction of 280 dwellings with associated works at Sub Phase 3DEF, Kilnwood Vale, Crawley Road, Horsham

Our Ref: LGW6030

Thank you for your letter/email dated 08th January 2026, regarding the above-mentioned consultation.

The proposed development has been examined from an aerodrome safeguarding perspective and does not conflict with safeguarding criteria. We therefore have no objection to this proposal.

We would, however, make the following observation:

Cranes & Tall Reaching Construction Equipment

Given the nature of the proposed development it is possible that a crane or tall reaching construction equipment may be required during construction/installation. We would, therefore, draw the applicant's attention to the requirement within the British Standard Code of Practice for the safe use of Cranes, for crane operators to consult the aerodrome before erecting a crane in close proximity to an aerodrome for further information please visit [Cranes | Permits | London Gatwick Airport](#) or email cranes@gatwickairport.com. The operator is also required to submit details to the CAA Airspace Coordination and Obstacle Management Service (ACOMS) system at [Crane notification | Civil Aviation Authority \(caa.co.uk\)](#)

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Amanda Purdye, Aerodrome Safeguarding Officer
For and on behalf of London Gatwick
Email: gal.safeguarding@gatwickairport.com
